

## Updated eVA Virginia Business Opportunities All Opportunities Page

When eVA's new platform is live Nov. 1, the following changes will impact the Virginia Business Opportunities (VBO) All Opportunities page and Opportunity Details pages of eVA's website:

### Finding solicitations

Solicitations not awarded before Oct. 26, will receive a new solicitation number. To find a solicitation on the VBO, All Opportunities page, search using the title in the keyword search field at the top of the page and advanced search filters such as the opportunity type and buying entity to narrow your results.

### **Amendment description**

The Amendment description previously displayed as a tab on the Opportunity Details page has been moved to the solicitation overview. It is available to logged-in suppliers by clicking the “Respond Online” button.

### **Issue Date information**

The original issue date of the solicitation previously was displayed on the Opportunity Details page. It has been moved to the solicitation overview and is available to logged-in suppliers by clicking the “Respond Online” button. The Issue Date on the Opportunity Details page now reflects the date an amendment was issued.

### **Bid Valid & Award Method**

Bid valid and award method for Quick Quote solicitations were previously displayed on the Opportunity Details page. This information will now be included as an attachment.
